

## ELLA MACPHEE

My name is Ella and I have lived in Squamish my entire life. I absolutely love riding in Squamish and beyond. I have been riding since before I can remember but this past year, my passion for riding has skyrocketed!

Choosing my favorite trail is definitely a hard task but I do really enjoy Credit Line and any other local trail that has a bit of everything including a nice view. Outside of Squamish, I love a trail in Carcross, YK called Wolverine.

When I am not on my bike, I enjoy running or hiking our local mountains. I also love being on the water with friends and my family, then sitting around the fire playing the guitar and singing.

I am a Provincial Athlete, a rider and coach for Team Squamish Cycling and a PMBI level 1 certified coach. When I am not training for racing I love to go to the dirt jumps, ride the bike park and trail run. I am excited to coach with Squamish Bike Camps this summer!

## JANE GILLIE

I have lived in Squamish for 22 years however I grew up in Kent, England. I've been a passionate Mountain Biker for 11 years and when not biking I like to explore new places and try out new adventures. In the winter I stay active by XC skiing and snowshoeing.

Here's a fun fact about me: I have been to 27 countries and have sailed across the Mediterranean Sea!

## JASPER FLEMING

I'm originally from Edmonton, AB but I now live in Squamish, BC. I'm a Biathlete, and XC mountain biker. When I'm not riding or skiing, chances are I'm playing guitar, drawing, taking photos, or hiking. I don't really have a favourite trail because I like them all! I'm in grade 10 and I go to Howe Sound Secondary School.

## JORIS JANSSEN

In Belgium, where I'm from, there's only small hills but I discovered a love for the mountains at a very young age when my parents took me skiing for the first time when I was 5.

I picked up my first real mountain bike about 8 years ago and some of my favourite trails in Squamish are Highway to Hell and Two Unrelated Dead Guys. I love spending time in the backcountry whether its ski touring or hiking and I enjoy a good book. I actually started teaching mountain biking on a trip to the Himalaya's in Nepal and decided to continue guiding for Whistler Blackcomb, Zero Ceiling and in the winter for Whistler Adaptive. It's making me consider pursuing a career as a teacher.

Also, as a Belgian, I love waffles, chocolate, beers and French fries (although I don't agree to the name French fries).

## MACKENZE VANSTONE

My name is Mackenze and I have a passion for helping others gain confidence, skills, and having fun mountain biking! I have been a ski coach for several years and am currently completing my bachelor of therapeutic recreation in hopes to make recreation accessible to everyone. I love the challenge and exhilaration that mountain biking provides everyone engaging in the sport with! I strive to share the experience mountain biking provides me with, with others and the internal reward after a day on your bike!

## MARIN LOWE

Hi, my name is Marin Lowe and I live here in Squamish BC. I have been riding since I was 4 years old and my love for the sport continues to grow each year. My favourite trails to ride are Somewhere Over There and Psuedo-Tsuga, as they offer fun slabs and fast flow!
