Courses are grouped together by category or sub-category based on age group or activity type.

The screenshot shows a search interface with three main sections: 'Barcode Search' with an input field for 'Enter barcode number' and a magnifying glass icon; 'Advanced Search' with a right-pointing arrow; and 'Browse for Courses' which includes a checkbox for 'Available for registration only' and a 'Category/Sub-category' list with two items: '03 School Age (5-12 yrs)' and 'Aquatics 2 Specialty (all ages)'.

The main content area has a 'Course' header and a 'Complex' dropdown menu set to '(All)'. Two course listings are shown: 'A3 Lane Swim - Adult Rate (16-64yo)' and 'A3 Lane Swim - Senior Rate (65+)'. Each listing includes a detailed description of the swim session and a 'Show Courses' button. At the bottom, a blue bar indicates 'Showing 1 to 2 of 2 activities' with navigation links for 'First', 'Previous', 'Next', and 'Last'.

A3 Lane Swim - Senior Rate (65+)

Each designated lane swim will be 45 minutes long. Swimmers must be 16 years of age or older to attend lane swim. There will be three double lanes available with a maximum of four swimmers per lane. Patrons will be asked to arrive dressed and ready to swim, and should be prepared to go home with your swimsuit on as access to our change rooms and washrooms will be limited. Our lockers will remain closed and we ask that all swimmers please bring your belongings with you to the pool, and leave your valuables at home. The hot tub, sauna and teach pool will also remain closed. We ask that you participate based on your own level of comfort and to help us by planning ahead, maintaining physical distance and staying home if you are sick.
