External Job Posting

Position:	Engineering Technician
Status:	Regular Full-Time
Work Area:	Engineering
Posting Date:	June 23, 2023
Closing Date:	Open until filled

GENERAL SUMMARY

Under the general direction of the Capital Projects Manager, the Technician performs inspection duties for design and construction of Capital and Development Projects, as well as provides technical support for infrastructure and engineering projects.

KEY RESPONSIBILITIES

Customer Service

- Contributes to the success of our team and creation of our community, by fostering the District of Squamish corporate values in their work: thinking beyond today, working together, acting with courage and enthusiasm, doing the right thing, and striving to do better every day.
- Follows the District of Squamish's Customer Service Guidelines to ensure the Delivery of Outstanding Service.

Main Duties and Responsibilities

- Performs field inspections related to Capital Projects and installations by utility companies to ensure compliance with municipal regulations and bylaws.
- Assists Capital Project Manager with the delivery of capital and maintenance projects, and performs overall construction management.
- Reviews servicing plans for conformity with municipal regulations, bylaws, and accepted engineering practice.
- Develops and maintains computer files and models relating to projects.
- Provides technical information to municipal staff, clients, stakeholders, and the general public.

KNOWLEDGE, SKILLS AND ABILITIES

- Thorough knowledge of applied science principles, bylaws and regulations as they relate to infrastructure projects and civil road construction.
- Knowledge of Master Municipal Construction Documents (MMCD) policies and procedures.
- Knowledge of Transportation Association of Canada (TAC) guidelines.
- Good organizational skills and ability to follow oral and written instruction.
- Excellent interpersonal and communication skills and the ability to deal with people in a professional manner, even in challenging circumstances.
- Ability to write and present reports.
- Ability to manage and perform multiple duties simultaneously.
- Ability to read architectural, engineering and legal plans, and specifications.

REQUIRED TRAINING, EDUCATION AND EXPERIENCE

- Valid B.C. Class 5 Driver's License
- Diploma in Civil Engineering Technology
- Eligibility for Membership in the Applied Science Technologists and Technicians of British Columbia

AND

- Three years relevant experience as an Engineering Technician

SQUAMISH
