This is one position that has two roles throughout the year. Approximately eight (8) months of the year the successful candidate will operate small equipment in the Roads department, the remaining four (4) months of the year will be working as a Night Shift Truck Driver 3.

NIGHT SHIFT TRUCK DRIVER CLASS 3

GENERAL SUMMARY

Under the supervision of the Night Shift Foreman or others, this position operates trucks and equipment and performs manual labour to support of the operation and maintenance of roads including snow and ice control, road rights-of-way, storm, sewer, water systems, transportation systems, and flood control systems.

KEY RESPONSIBILITIES

Customer Service

- Contributes to the success of our team, creation of our community, and delivering outstanding customer service internally and externally by fostering the District of Squamish corporate values in their work: thinking beyond today, working together, acting with courage and enthusiasm, doing the right thing, and striving to do better every day.
- Follows the District of Squamish's Customer Service Guidelines to ensure the Delivery of Outstanding Service.
- Effectively responds to public enquiries.

Truck Driving & Other Duties

- Carries out the work in accordance with established safe work procedures and participates in Occupational Health and Safety activities, tasks, and duties as determined by their supervisor.
- Operates heavy trucks, heavy equipment, and small equipment.
- Operates dump truck during snow and ice control operations.
- May perform labouring duties, as required.
- Performs minor maintenance repairs to equipment, as required.
- Performs flagging duties, directs or controls traffic at work sites.

REQUIRED KNOWLEDGE, SKILLS & ABILITIES

- Thorough knowledge of municipal roads, drainage, snow and ice control routes and methods, plus flood control systems.
- Ability to read, understand, and interpret plans and specifications.
- Current knowledge of WorkSafe BC regulations and requirements as they relate to municipal public works.
- Ability to work safely and in compliance with the District of Squamish Health and Safety Policy, WorkSafe BC, and WHMIS Guidelines.
- Practices, participates, and ensures adherence to established safety policies, safe work procedures, regulatory compliance, training, and reporting.
- Ability to follow oral or written instructions and procedures.
- Good organizational skills and the ability to manage multiple tasks.
- Excellent interpersonal and communications skills and ability to deal with people in a professional manner.
- Ability to operate heavy equipment.
