

# Land Development

## Document Checklist

**Civic Address** (Street No. & Name): \_\_\_\_\_

**Applicant's Full Name:** \_\_\_\_\_

You are required to provide the following documents (if applicable) with your *Land Development Application Form* and applicable fees. This checklist, and all District of Squamish forms, are available online at [www.squamish.ca](http://www.squamish.ca).

The items on the list are the minimum requirement for your application. Depending on the nature of your project, **you may be requested to submit additional information/documents** with, or following submission of, your application.

Print this *Document Checklist*, check that you have provided all of the required documents, sign, and include this document with your application (not required for the Pre-Application Meeting).

### Documents Required for ALL Land Development Applications:

<input type="checkbox"/>	n/a	FORMS, TECHNICAL REPORTS + DRAWINGS	COPIES	OFFICE ONLY
<input type="checkbox"/>	<input type="checkbox"/>	1. Complete and signed <b>Land Development Application Form</b> and all applicable fees.	1	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>	2. <b>Land Title Search</b> – documents must be dated <u>within 30 days</u> of the date of application, and include copies of all easements and covenants. Certificates are available from: <ul style="list-style-type: none"> <li>BC Land Title Office – <a href="http://www.ltsa.ca">www.ltsa.ca</a> (must be a registered user to access Land Title information)</li> <li>If there are more than 3 charges on title you will be required to submit a summary of each charge.</li> </ul>	1	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>	3. <b>Site Disclosure Statement</b> – required for rezoning, development permit, subdivision or site alteration permit (soil removal) applications per the <i>Environmental Management Act</i> . Download a <a href="#">Site Disclosure Statement (Schedule 1: Contaminated Sites Regulation)</a> and see <i>Administrative Guidance from B.C. Ministry of Environment</i> . A fee of \$100.00 is payable to the District of Squamish upon application submission where Site Profiles must be sent to the Ministry.	1	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>	4. <b>Cover Sheet with Project Statistics</b> (Data Sheet) – Total site area, proposed floor area and floor area ratio and noted GFA exclusions, site coverage, building heights, parking and loading spaces, and useable outdoor area per Zoning Bylaw. <b>ALL DIMENSIONS TO BE IN METRIC</b> 5. <b>Context Plan</b> – showing the relationship of proposed development to surrounding sites, roads/intersections, buildings and neighbourhood features (green spaces, trails, transit facilities) 6. <b>Site Plan</b> – drawn to scale showing dimensions of the property (as indicated on the Survey Plan) and on-site details including: <ol style="list-style-type: none"> <li>Location of all existing and proposed roads, trails, easements or statutory rights-of-way.</li> <li>Location of any watercourse(s), mature vegetation, steep banks or slopes.</li> <li>Location of fire hydrants and fire lanes, hydro infrastructure (poles, boxes etc).</li> <li>Location and dimensions (incl. setbacks) of existing and proposed buildings and structures on site, including waste and recycling facilities.</li> <li>Building grades (calculations for existing average grade of buildings) – <b>NOT</b> required for Site Alteration Permit Application.</li> </ol>	3 colour copies of each plan: 5 x 11"x17"  (1 large format 24"x36" may be requested by the Planner)	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>	7. <b>Other Development Plans</b> (typically only required for Development Permit Applications – confirm at your Pre-Application Meeting): <b>ALL DIMENSIONS TO BE IN METRIC</b> <ol style="list-style-type: none"> <li><b>Section/Elevation/Streetscape Plans</b> longitudinal and cross sections indicating floor levels and height above finished and existing average grades, as well as front/rear/side elevations sufficient to show proposal with exterior finishes, door and window details, weather protection, fencing/screening, and exterior equipment (if applicable). Elevation plans need to include adjacent buildings for context.</li> <li><b>Roof Plans</b> (dimensions, including any required rooftop mechanical screening)</li> <li><b>Parking Layout and Access Plans</b> (for all parking, loading and bicycle areas - including access, layout &amp; dimensions, maneuvering aisles, ramps, curbing, and conformance with accessibility and surface treatment, screening &amp; landscaping)</li> <li><b>Materials, Finishes &amp; Colours</b> (for Development Permit Applications ONLY) – provide relevant details and elevations of all exterior treatments including proposed materials, finishes and colours.</li> </ol>	3 color copies of each plan: 5 x 11"x17"  (1 large format 24"x36" may be requested by the Planner)	<input type="checkbox"/>

		<p>e. <b>Landscape Plans</b> (including all plant and hardscape materials, dimensions, sections/elevations, irrigation, lighting, signage, garbage and recycling, site furnishings and their relation to underground utilities, riparian areas and existing trees). <i>An Arborist Report may be required for proposed tree removal.</i></p> <p>f. <b>Site Grading and Storm Drainage Plan</b> (to be coordinated with preliminary servicing plans prepared by a civil engineer, as required per the <i>Subdivision &amp; Development Bylaw.</i>)</p> <p>g. ENERGY ADVISOR SIGN OFF – letter confirming development form and character meets BC Step Code requirements</p>		
<input type="checkbox"/>	<input type="checkbox"/>	<p>8. <b>Solar &amp; View Impact Studies*</b> (for Downtown properties and existing or proposed zoning permits a maximum building height of 9 metres or higher). To study and reduce impacts on adjoining properties and public open spaces, provide as follows:</p> <ul style="list-style-type: none"> <li>• Sun/shade diagrams for Equinox: 8 a.m., 12 noon, 4 p.m. Summer and Winter Solstice: 9 a.m., 12 noon, 3 p.m.</li> <li>• Perspective renderings from the street/pedestrian level showing the development (simplified 3D block model) in its context with surrounding mountains, ocean and public realm viewpoints. <i>Confirm locations with File Planner.</i></li> </ul> <p><i>*Not required at time of application submission; review and discuss Terms of Reference with assigned File Planner.</i></p>	3 colour copies of each plan: 5 x 11"x17"	
<input type="checkbox"/>	<input type="checkbox"/>	<p><b>3D Model*</b> (Projects proposing more than 5 residential units or larger non-residential development may be required to provide dimensionally accurate 3Dimensional representations of the proposed development and building form in relation to surrounding buildings, streets and public spaces. <i>*Not required at time of application submission; discuss with assigned File Planner.</i></p>	1	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>	<p>9. <b>Hazard/Risk Assessment</b> – For applications located within a natural hazard area, Hazard Assessments prepared by a Qualified Professional in accordance with Terms of Reference established by the District. <i>*See specific Terms of Reference for Natural Hazard and/or Risk Assessments, and Risk Assessments for new development in the Cheekeye Fan Hazard Area, and the Flood Management Guide for Development.</i></p>	1	
<input type="checkbox"/>	<input type="checkbox"/>	<p>10. <b>Geotechnical Analysis</b> – required for Development Permit and Subdivision Applications only (<u>usually NOT</u> required for Zoning and OCP Amendments, Strata Title Conversion, and Site Alteration Permit Applications – confirm at Pre-Application Meeting).</p> <p>11. <b>Slope Stability Assessment</b> – for development sites with natural grade/slope equal or greater than 25% or as required by the District’s Building Inspector or Approving Officer <i>*See OCP Schedule E</i></p>	1	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>	<p>12. <b>Site Bio-Inventory</b> for Environmental Review Areas per OCP DPA1 Schedule K-1. See Terms of Reference: <a href="http://squamish.ca/assets/DS-Forms/Site-Bio-inventory-Report-Terms-of-Reference-final.pdf">http://squamish.ca/assets/DS-Forms/Site-Bio-inventory-Report-Terms-of-Reference-final.pdf</a></p>	1	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>	<p>13. <b>Riparian Assessment Report</b>, if applicable. (Refer to OCP Part 5 Development Permit Area 1 Aquatic Guidelines for riparian areas and wetlands and confirm at Pre-Application Meeting).</p>	1	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>	<p>14. <b>Map</b> showing the location of invasive species.</p>	1	
<input type="checkbox"/>	<input type="checkbox"/>	<p>15. <b>Electronic copies</b> of all submissions; including application, drawings, &amp; reports. PDFs of drawings &amp; site plans must be no more than 5MB in size (total). Electronic files may be emailed to <a href="mailto:planning@squamish.ca">planning@squamish.ca</a> or submitted with the application on a flash drive.</p>	1 USB	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>	<p>16. Complete and signed <b>Document Checklist</b> (not required for Pre-Application Meeting).</p>	1	<input type="checkbox"/>

**Additional Documents for Strata Title Conversion Applications ONLY:**

	n/a	DOCUMENT	COPIES	OFFICE ONLY
<input type="checkbox"/>	<input type="checkbox"/>	<p>17. Application must be accompanied by a <b>Certified Report</b> from a Professional Engineer or Registered Architect in the appropriate fields, indicating the level of conformance with the <i>BC Building Code, Plumbing Code, Fire Code</i>, and other Provincial and Federal Regulations. If the property subject to the proposed strata title satisfies all required safety items (e.g. fire separation, ventilation, accesses, and means of egress), evidence of insurance is to be provided by the Professional certifying the report.</p>	1	<input type="checkbox"/>

Applicant acknowledges that their Strata Title Conversion Application complies with bylaw requirements at the time of application regarding the following critical matters:

- safety, fire hazard, and service conditions;
- off-street parking and loading requirement
- minimum dwelling and room size; and
- soundproofing between dwelling units – walls, ceilings, and floors.
