

GARIBALDI ESTATES NEIGHBOURHOOD PLANNING PROCESS

Thank you for joining tonight's workshop on the Garibaldi Estate Neighbourhood Plan. As we work through the draft plan, we invite you to provide your **comments and ideas** below. All feedback will be considered by staff and Council to help guide policy and mitigate the challenges associated with welcoming new people and homes into older neighbourhoods within Squamish. Thank you very much for your time and interest in providing input.

What do you see are potential challenges with implementing the plan?

What actions do you think could be taken to mitigate these challenges?
