

Map 8 - Aquatic and Riparian Approval Works

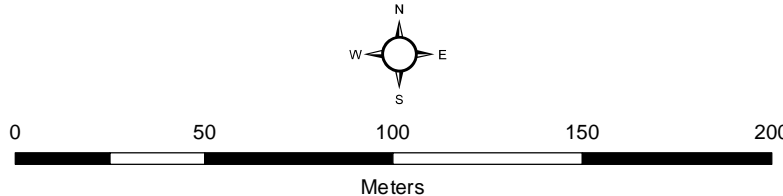

Bio-Inventory
Garibaldi Springs
Squamish, British Columbia

- Subject Site
- Creeks
- SPEA
- Proposed Development Areas
- Channel Enhancement
- Wildlife Culvert Installation
- Riparian Intrusion
- Post-Development Habitat Status**
- Aesthetic Pond
- Compensation Pond
- Wetland/Existing Riparian
- Existing GC Development (to remain)
- Development
- Non-Riparian Vegetation
- Non-Riparian Re-Vegetated
- Park
- Aquatic Compensation
- Riparian Compensation
- Pond Infill Area
- Env. Approval Tasks**
- No WSA Requirement
- WSA Approval Package 1
- WSA Approval Package 2
- WSA Approval Package 3

WSA Approval #1
Tracking #100275643
Water File #2006906

WSA Approval #2
Tracking #100275651
Water File #2006955

WSA Approval #3
to be filed in year
works to take place

**** All identified works form part of
the DFO Authorization application
under the Fisheries Act.**

Task Number	Activity or Work
1	Newport Creek Road Culvert (Lot A to Lot B)
2	Emergency Access Road Infringement into Pond
3	Riparian planting adjacent to Pond 1
4	Newport Creek Emergency Road Crossing, Remove Culvert, Replace with Bridge
5	Pond 1/Newport Wetland Construction with Riparian planting
6a	Remove two culverts and decommission trail through Newport Wetland Complex
6b	Remove two culverts and decommission trail through Newport Wetland Complex
7	Lot B Riparian (SPEA) Intrusions
8	Lot B Riparian Planting
9a	Trail Removal, Hotel to Lot B, with 2 Bridge Removals
9b	Trail Removal, Hotel to Lot B, with 2 Bridge Removals
9c	Trail Removal, Hotel to Lot B, with 2 Bridge Removals
10	No Name Creek Trail Bridge Replacement
11	Pond 2 to No Name Creek Channel Connectivity Enhancement
12	Pond 2 Riparian Planting
13	Thunderbird Creek Trail Bridge Replacement
14	Drainage 1, Reach 3 Trail Bridge Replacement
15	Drainage 1, Reach 2 Trail Bridge Replacement
16	Drainage 1, Reach 2, Channel Connectivity Enhancement and Riparian Vegetation
17	Clubhouse/Pond 7 & 8 Riparian and Upland Planting
18	Pond 8 Wetland Creation
19	Pond 4 Wetland Construction and Riparian Planting
20	Drainage 1, Reach 1 Trail Culvert Removal
21	Drainage 1, Reach 1 Trail Bridge Removal
22	Meighan Creek North Riparian and Upland Planting
23	Meighan Creek Bridge Removal (Old Fairway 1)
24	Meighan Creek West Tributary Culvert Removal
25	Meighan Creek East Tributary Culvert Removal
26	Meighan Creek Bridge Removal (Old Fairway 2)
27	Meighan Creek South/West Wetland Construction and Riparian Planting
28	Meighan Creek Bridge Replacement (North of Lot C)
29	Lot C Riparian (SPEA) Intrusions
29	Lot C Riparian (SPEA) Intrusions
30	Lot C Riparian Planting
31	Remove 900 mm CSP culvert and decommission trail within South Meighan Wetland
32	Pond 5 partial Infilling, Riparian Removal
33	Pond 5/6 Wetland Infilling
34	Pond 6 Infilling
35	Lot D Riparian Planting
36	Lot D Riparian (SPEA) Intrusions
37	Culvert Extension on Newport Ridge Drive
