Dear Jacquelin,

Re: 'Squamish Loggers Sports Festival'

Thank you for your proclamation request for the Squamish Loggers Sports Festival. At the Regular Business meeting held July 16, 2024 the following motion was passed by the District of Squamish Council:

THAT Council recognize the Squamish Loggers Sports Festival as an event of municipal significance in the District of Squamish as it celebrates its 67th annual event from August 1 - 4, 2024.

Council is pleased to support the Squamish Days Logger Sports Association and hope this year's festival is the most successful yet.

Sincerely,

Armand Hurford, Mayor
