

Canadian Navigable Waters Act

The District of Squamish hereby gives notice that an application has been made to the Minister of Transport, pursuant to the *Canadian Navigable Waters Act* for approval of the work described herein and its site and plans.

Pursuant to paragraph 7(2) of the said Act, the District of Squamish has deposited with the Minister of Transport, on the online Navigable Waters Registry (<http://cps.canada.ca/>) and under registry number 2817 or, under the NPP File Number 2021-503869 a description of the following work, its site and plans:

- Installation of a 200m long sheet pile sea dike following along the high water mark.
- Installation of a new gangway and dock to provide public access to the water.
- Installation of rip-rap berm as an environmental enhancement measure along the base of the sheet pile wall.

in, on, over, under, through or across the Mamquam Blind Channel in downtown Squamish between Victoria St. and Main St. on Lot A, District Lots 7056 and 486 in front of 37956 Loggers Lane.

Comments regarding the effect of this work on marine navigation can be sent through the Common Project Search site mentioned above under the Comment section (search by the above referenced number) or, by sending your comments directly to (Navigation Protection Program - #820-800 Burrard St., Vancouver BC, V6Z 2J8) if you do not have access to the internet.

However, comments will be considered only if they are in writing (electronic means preferable: NPPAC-PPNPAC@tc.gc.ca) and are received not later than 30 days after the publication of the last notice. Although all comments conforming to the above will be considered, no individual response will be sent.

Signed at Squamish, British Columbia this 25th day of May, 2021.

David Roulston,
Manager of Municipal Infrastructure
District of Squamish
