

## District of Squamish 2026 Curbside Collection Calendar

 We are the first community in BC to offer a curbside battery collection program. In 2025, we collected **1,250 kgs of batteries & electronics** from the curbside service alone. This equals our 2024 depot site collection of 1,318 kgs!

Service times can vary from week-to-week. On your service day: ensure totes are kept out and unlocked on time; leave 1 metre of clearance around each tote for truck access.

 Reduce negative human-wildlife interactions by locking and storing attractant totes in an enclosure.

 Have totes unlocked by **7:15am** on your service day; latch clips together to avoid damage during service.

Garbage Recycling Compost Battery

	January 1st (New Year's Day) collection will occur on Saturday, January 3rd, 2026.
	December 25th (Christmas Day) collection will occur on Saturday, December 26th, 2026.
	Weekly Compost services from May 4th - October 23rd.
	Reduce attractant odours by freezing or disposing of compost on collection day.
	Reduce attractant odours by thoroughly rinsing all items placed in the recycle tote.
	Depot site items include: Styrofoam, glass, film & flexible packaging, electronics & hazardous waste.
	Complimentary curbside battery collection on your service day: April 20th - 24th and November 2nd - 6th.
	Collect your household batteries in one clear bag & in a second clear bag collect your small electronics, cell phones, tablets, laptops, video games, cables & cords. On garbage week the bags will be hand collected from on top of your Recycle Tote. The Recycle Tote will indicate your participation and prevent the batteries from being tipped into the garbage truck.

Download the Squamish Curbside Collection app to stay updated on important schedule changes.

For tote repairs including wildlife damage or service issues, please email: [squamishtotes@gflenv.com](mailto:squamishtotes@gflenv.com)
